integrate2cloudapps Sponsorship Appreciation

On behalf of the Board of Directors for the Canadian Tamil Youth Development Centre (CanTYD), I would like to thank integrate2cloudapps wholeheartedly for your continued generous support of the Awards of Excellence Gala.

As you might be aware, CanTYD is a non-profit organization that provides programs and services to Tamil youth living in neighborhoods throughout Toronto. We are a youth-led, youth driven and youth-focused agency that recognizes the importance of involving local youth in the development of programs and is committed to developing leadership capacities among youth since 1998. For 22 years CanTYD has provided resources for youth, parents and the community to be engaged with issues that matter, be empowered to make decisions that affect their lives, and be educated about the opportunities that are available to them to live active and healthy lives.

Our annual Awards of Excellence Gala (AofE), brings youth, families and community members together to celebrate the achievements of our youth. This gala helps to create role models and inspire youth to strive for excellence, since creating positive, real life, relatable role models within similar cultural context creates a powerful beacon of hope for youth. Through this event, we will recognize Tamil-Canadian high school students who have achieved excellence in academics, athletics, the arts and community involvement.

As a sponsor and trusted community champion, integrate2cloudapps will allow us to make sure that the spotlight remains on the youth that will be the future of our community! Your sponsorship will ensure that we would be able to highlight and feature the groundbreaking creativity of our young entrepreneurs in the category of CanTYD Young Innovators Award! As an added example of generosity, Mr. Victor Somas has even agreed to mentor the candidates that win in this category as well!

Please accept our most sincere appreciation and gratitude for integrate2cloudapps's help and support. We would not be able to be as impactful in our initiatives, without the continued support from community members like you.

Sincerely,

Easa Thurairajah
